As an Ellis County SPCA Volunteer, I agree to abide by any and all rules or policies given to me by the staff. I agree to treat all animals, staff, and visitors with respect. I understand the shelter is not a no-kill facility and that not all animals will be selected for the adoption program. I acknowledge and understand that shelter staff makes the final decision on euthanasia. I understand that failure to abide by any rules or policies will result in the end of my participation in the volunteer program.
